NEWSLETTER NR.2 November 2026

We're happy to share our second newsletter, highlighting recent activities from the WISE4WOMEN project.

TPM AT HALMSTAD UNIVERSITY, SWEDEN

On 10–11 August 2026, the WISE partners gathered at Halmstad University, Sweden, for the project's second Transnational Project Meeting (TPM). The meeting focused on reviewing progress, coordinating upcoming activities and further developing practical tools to strengthen financial literacy, independence and empowerment among migrant women.

A highlight of the meeting was the collaboration with Halmstad University's International Summer School, where participants explored WISE and contributed ideas for the project's future gamification tools.
